ONLY & SUMMER®

The Only Summer® Shop offers modern interior, hand-made designer furniture with an excellent quality, beautiful lamps and heartcrafted accessories from all over the world.

Away from mass production, our furniture and accessories have hours of inspiration, endless exploration and pure joy. The products merge quality with a timeless design and can be combined with every furniture collection without interrupting the flair.

The Only Summer Shop® gives the opportunity to buy these objects and help the family business to grow and continue with their passion. You don't just buy a product, you buy a piece of heart from our artists.

"Most of the products come from artists and small craftsmen shops who dedicated their lives to create beautiful and unique pieces of art." Thank you for supporting the local artists and the hand craftsmanship.

A photograph of a modern outdoor furniture set in a garden. The set includes a black sofa with cushions, a matching armchair, and a small round coffee table. The furniture is on a light-colored patio next to a swimming pool. In the background, there is a green lawn, a stone wall, and a large tree. The text "MODERN COLLECTION" is overlaid in white, with a large "M" at the beginning.
